

Socratic Seminar Planning Guide

Before the seminar:

- Read the text in advance.
- Number the paragraphs.
- Prepare three questions for discussion with your classmates and provide related evidence in the text.
- Define any terms or words that you need to look up in the NOTES section.

Name of the article: _____

Questions for the Seminar	
My first question is:	Evidence to support this question (write quote from text here):
My second question is:	Evidence to support this question (write quote from text here):
My third question is:	Evidence to support this question (write quote from text here):
